Select the person that you want to invite. Once you have selected the person you want to meet with, you can choose to start a "Screen share meeting" or a "Video meeting".

Note: A green dot (For Google and Facebook only) means that the person is currently online. The invitees do not need to have zoom pre-installed to join your meeting.

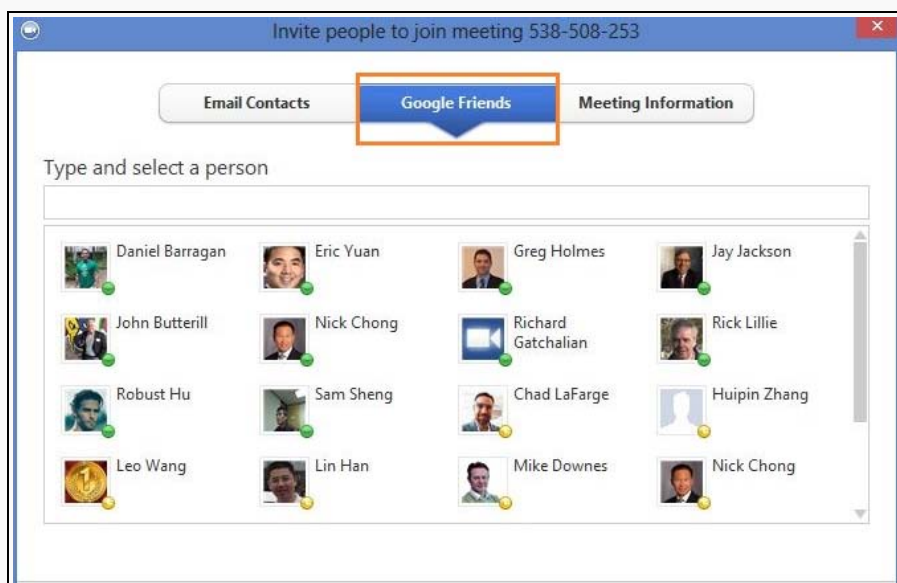

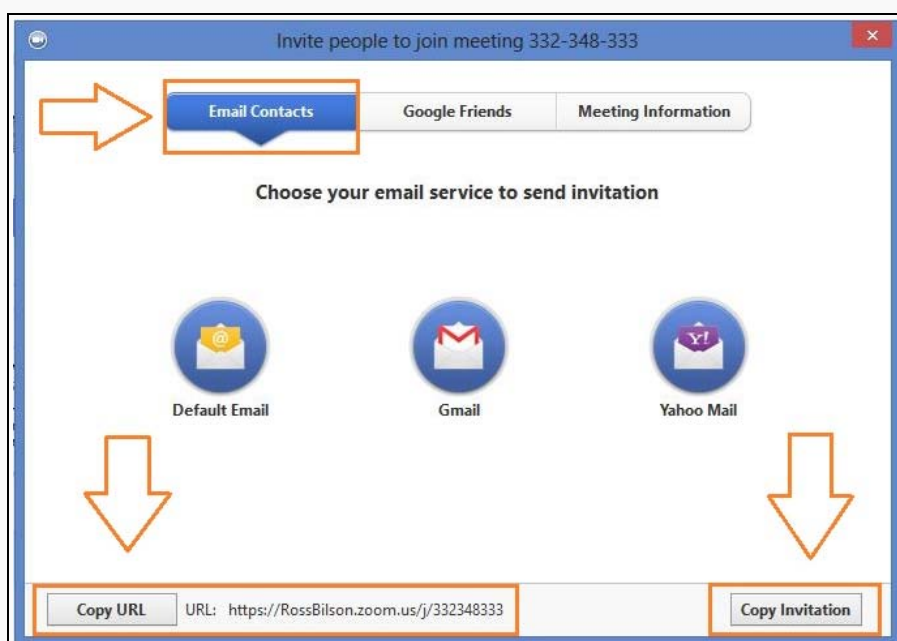

In-meeting invite

You can invite contacts while in a Zoom meeting by selecting the "invite" tab in your in-meeting toolbar.

You can -

- Invite contacts using your "Default, Google, or yahoo" email accounts.
- Invite using your "Favorites, Google, or Facebook" IM(See here for more information about Favorites).
- You can "Copy URL" or "Copy invitation" and paste it anywhere for your contacts to use to join the meeting.
